## 2023 New Laws for Small Businesses in California

Hi &&First Name>>,

In 2022, California Gov. Newsom signed many laws impacting California employers. Some of the new laws became effective immediately and others will take effect January 1, 2023, or later.

These new laws address several topics, including:

- Supplemental paid sick leave
- Pay transparency
- Leaves of absence
- And more.

As an employer, ***you need to be aware of these laws***. With so many new laws, it could be daunting, so we've gathered the most relevant for our members.
